Sinful

Author's Notes:
For the Wednesday drabble challenge with the prompt of \"sin\". It\'s a continuation to my fic Sin, which is the first thing I thought of when I hear that word :)

Sinful lips
Sinful hands
Sinful mind

I should not
I can not
I've vowed not

But I am
Lusting for him
Touching him

When he comes around
I can't contain it
Feelings everywhere

He pushes my buttons
Dialing straight for my heart
Making me do things

I must resist him
I must push him away
I must stay true

But I can't
He won't let me
He knows my weaknesses

Flaunts them so easily
Taunting me to touch
Taunting me to take

To be his
And only his
Completely

I'll be his slave
Chained to his existence
For all eternity
